

ScanImage, Ephus, and other DAQ software

ScanImage & Ephus are now developed & supported by [Vidrio Technologies, LLC](#) – with continued support from [HHMI/Janelia Farm](#), [NINDS](#), and others.

Public releases of ScanImage & Ephus can be [accessed at this site](#) or, as always, at scanimage.org.

The prior ScanImage/Ephus user-list is being retired. Access to public ScanImage/Ephus releases [requires a new registration](#).
