

Sutter Instrument

Sutter Instrument is a manufacturer of specialized microscope hardware for physiology.

Sutter Instrument products used by *ScanImage* users:

- [MOM \(Moveable Objective Microscope\)](#)
- [3DMS 3D Motorized Stage](#)
- [Resonant Scan Box \(for ScanImage 5\)](#)

Resonant Scan Box for ScanImage 5 - Wait!!

Note that Vidrio currently recommends waiting until testing of new scanner hardware is completed (by April 1 2014) before purchasing a [Resonant Scan Box](#) system, or any scanner hardware, for ScanImage 5.
